It aims to present vigorous and varied critical appraisals in French and English, with special emphasis on detailed textual analysis; it will, in particular, foster the publication of essays of an extensive kind.

## **Gold**

It's the story of a scheme to write a functional autobiography of Howard Hughes, without Howard's knowledge.

## **Exploring Mormon Thought Book Four**

Eschewing a conventional biographical focus, this is the only book in any language that sets the rise of Alexander's short-lived empire within the broad context of ancient Near Eastern history under Achaemenid Persian rule, as well as against Alexander's Macedonian background. I note this with some reluctance since the genre ideologically arises from the utopian tradition Edition: current; Page: [ 46 ] of scientistic religiosity, from Bacon through Wells into contemporary technologues, and much of its sensibility from Gothicism and sentimental fantasy: a considerable number of such fictions are aesthetically and morally ugly.
