monitoring terrorist mass media outlets, and taking swift action against American complicity, we sent the right message that terror is not welcome on our shores Undoubtedly, much of

the web-hosting business will go to companies in Europe and elsewhere around the globe. So, for this example, I take the notion of change to mean the mutability of the meanings of one particular text in the imagination of the reader who may, in this fifteenth century context, be seeking out heterodox or sectarian views.
