## **Cold Dark House**

Critics were divided by La Storia, which awkwardly and problematically adopted the rhetoric of the novel in a manner quite out of sympathy with the dominant Marxist ideology of the times, but which nonetheless contained elements of value and interest in the treatment of the round-up of Jews in the Roman Ghetto, of the notion of Power, of aggressor and victim, even if such elements were not easily accessible to interpretation. We highlight the significance of functional mimicry, challenges of measuring results, alternative analytic and process frameworks for action, the tensions between ownership and outside expertise, and further reflections on political economy analysis.
